

Join The 250 Challenge

250 Sponsors

\$250 Donations

Our Students Need You!

We need you! The Naples High Band Boosters are on a mission to secure 250 sponsors on behalf of the Naples High Band Program students. Funds raised will enable our students to replace 20+ year old instruments, compete in various performances and competitions, offset student travel costs, and upgrade our vastly outdated Music Technology Program.

Why should businesses join the challenge? For \$250 they get:

- A shout out at their business with Bernard the Eagle on all our social media. Our posts have reached as many as 30,000 users in a month.
- Their business logo and website link (back-link) stay on the website for one year including through football season.
- Businesses with quality back-links may rank higher on Google.
- They will be listed on the event sponsor board attended by over 500 people.
- Supporters of the Golden Eagle Run gain exposure with students, parents, alumni, game attendees and our community partners.
- They get to help out a great cause by supporting the Naples High Band Program!

Larger/Naming sponsorships are also available. For more information please contact visit www.napleshighband.com/golden-eagle-run/ or call Misty Sayah at 239-269-0385.

Thank You For Your Support!
